

# Connecticut State Department of Education Professional Support Series for Districts

Please see below and join as we learn together and grow together.

Series 27 — September 9, 2021

## Defined Learning Connecticut Professional Learning Series

Accelerate teaching and learning and bridge the equity gap. Join us for a day of professional learning and learn how project-based learning can elevate the opportunity for student collaboration and create deeper learning environments.

A Defined Learning facilitator will actively involve participants in a PBL task while explaining the purpose, design, and implementation of Defined Learning in the classroom. Educators will have time to identify tasks associated with their curriculum and choose one to customize and assign to their students.

### The day will include:

- Connecting Standards, Skills, and Competencies
- Active Modeling and Coaching for participants
- Practical strategies for implementing project-based learning in the classroom
- Exploration and Performance Task development
- Opportunities to learn about ongoing PBL collaboration and additional learning opportunities

### Who can participate?

Any K-12 public school teacher, instructional facilitator, or administrator supporting the use of PBL in the classroom in Connecticut.
